

Western Wayne County Regional Wastewater Treatment Plant

Project Location: 613 East Main Street, Palmyra, NY 14522

Community Meeting

Date: March 15th at 6:30 p.m.

Location: Palmyra Village Fire Hall
615 East Main Street, Palmyra, NY 14522

The Wayne County Water and Sewer Authority is proposing a new regional wastewater treatment plant in your area. On behalf of the Wayne County Water and Sewer Authority, LaBella Associates has prepared a Public Participation Plan to inform the public about the project, which will be located at 613 East Main Street, Palmyra, NY 14522.

At the meeting, an overview of the scope of work, schedules, and impacts as they pertain to the proposed project will be presented by a representative from MRB Group. The meeting is open to all residents of the surrounding community.

If you have any questions regarding the meeting, please contact Marty Aman, Executive Director, Wayne County Water & Sewer Authority, by phone at (315) 986-1929 or email at maman@wcwsa.org.

Project documents can be accessed at <https://wcwsaregionalwwtp.org/> and the following community locations:
